IV English to French to German to English

One says it gave a time it,
if whole mankind functioned together,
to coastal coast in the hot sun.
Before time, where as well as ~~we tried a goal~~:

A revolution to shine to parallelism
and which put up upward in the skies.
A shining arrow, which outside reached also, has the voice
united,
*in order to concern the end of the finger from
that one to, which
we called
Father.*
The potential of mankind made the concrete.

But it could not be.

The jealous and frightened creator,
met a terrible blow;
not at our building, **but** at our
capacities.

On our languages malédiction the
confusion one expanded.

Where once, which we ~~kept ourselves united~~, only
separate séparé unterschiedlich separado separado separato afzonderlijk,
vreemdelingen sconosciuti extranjeros desconhecido fremden étrangers strangers.

And déité at our fear it
laughed

and us at the ends of the earth absent-
minded, where today we
remain, eyeing our neighbours have glossolalic with
the open animosity
to ask the ~~peace~~ to be
granted which we knew in
the past.

The child, do the bones of the revolution see
défraîchis per the year and to half sips by the sea?
Before time, where we lived in harmony,
although,
as we were **sabotaged** at more
asunder remind, abandoné and apart

from a small God tore up now less.

IT HAS EXISTED a year, one says

when elejtoy' rgise with whichever humanity,
to part-the side of to hot helium.

A year has existed when we have tried with one scope:

A turn, crosspiece and,
flying to the amounts towards on skies.
Shining in coils, that it arrives with a unified voice,
because we touch end dakty' loy this we have called

THE FATHER

Possibility of humanity that it is realized.

But you did not have to be.

The author, zilo' typos and feared,
has hit a horrible blow
not to our construction, but to our

possibilities.

On our languages it has been put the wound of the
confusion.
